

RING SIZE GUIDE

Babette Wasserman London Women's rings are offered in three standard sizes:

Small (S) = UK ring size L

Medium (M) = UK ring size N

Large (L) = UK ring size O ½

The MM diameter measurement is helpful so that you can measure a ring you currently have at home. Just measure the INSIDE diameter and compare it to the 3 sizes that we offer below.

WOMENS RING SIZES	MM (DIAMETER)	UK	US	EUROPE
SMALL	16.31	L	6	52
	16.71	M	6 ½	52
MEDIUM	17.12	N	6 ¾	54
	17.53	O	7	55
LARGE	17.81	O ½	7 ¾	56

If your ring size is in between two sizes, we advise you opt for the larger size.

If you are unsure of your size, we recommend going to a local jeweller to have your finger measured.

All our rings are handmade and hand sized meaning they may slightly vary from the sizes above.
